

RALEIGH BUSINESS CONNECTIONS
Membership Agreement Form

❖ **Mission**

Our mission is to build stable long-standing relationships within the group based upon credibility and trust. These relationships leverage each member's expertise to share information during our meetings, which presents the opportunity to make business referrals.

❖ **Expectation of Group Members**

Attendance: It is expected that regular attendance is necessary to develop the relationships within RBC (Raleigh Business Connections) and that RSVP responses will be made when requested. A commitment to regular attendance should be made, but it is also acknowledged that client needs will take a priority. RBC meets every Wednesday promptly at noon at Manchesters and meetings last about one hour.

Representation: There will only be one representative allowed per profession/industry. Each member will do a 60 second commercial at each meeting and will plan to do a ten minute presentation periodically that educates other members in more detail about the services and products offered by their company or business, and to let the group know the best way referrals can be provided.

Decisions: Decisions are made by group consensus.

Referrals: There is no requirement or quota for leads and referrals, but, as a member, I will try to refer prospects or customers that I encounter to the products and services offered by members in RBC. Leads and referrals should be passed along during the week but should be reported to the group during the 60 second commercials.

Dues: \$25 per year. Due on or before January 1st. Dues will be prorated for members who join after January 31st.
